

## Press release

Gevninge, 14<sup>th</sup> August 2017

### **New owner of A/S Electro-Service.**

PharmProTech Holding ApS (Owner of Scantago ApS), acquires A/S Electro-Service in Odense as of 1<sup>st</sup> October 2017.

A/S Electro-Service was established in 1988, and has a strong position in sales and servicing of autoclaves and washing machines for hospitals and laboratories in Denmark.

A/S Electro-Service has previously been agent for Steelco SpA (washing machines) and Matachana Group (autoclaves) and Medisafe Ltd (ultrasonic).

The agency agreement terminates as of 1<sup>st</sup> March 2017 for Steelco and 1<sup>st</sup> November 2017 for Matachana. After that, sales of new machines within these brands will no longer be offered by A/S Electro-Service. Electro-Service will continue to service customers with Steelco and Matachana equipment.

During the past eleven years, Scantago ApS has built up an organization with sales and servicing of autoclaves and washing machines for pharmaceutical industry in Denmark. Scantago ApS is the agent of Belimed AG (CH), manufacture of washing machines and autoclaves for healthcare, laboratories and pharmaceutical industries. Scantago ApS is also distributor of consumables from Steris Corp (US) in Sweden, Norway and Denmark.

Together, A/S Electro-Service and Scantago ApS will continue to sell and service autoclaves and washing machines to hospitals, laboratories, and the pharmaceutical industry in Denmark.

The common goal of A/S Electro-Service and Scantago ApS is to be the preferred supplier of autoclaves and washing machines as well as servicing these in Denmark. Our common starting point is flexibility, competence and quality.

Our mission is to ensure delivery of high-end equipment and to ensure reliable operation of the equipment throughout the lifecycle of the equipment.

A/S Electro-Service continues as an independent legal business unit under PharmProTech Holding ApS.
